MJ Training Solutions

Course Overview

This comprehensive training program designed for contractors, employees, and casual workers in the food and drink manufacturing industry.

This course focuses on critical areas such as hygiene and food safety, environmental issues, and health and safety practices, aiming to elevate industry standards and ensure a safer workplace.

The SPA Food & Drink Safety Passport is a valuable asset for persons working in environments with strict health and safety standards. Recognised across industries, with key users of the SPA Food & Drink Include; Kelloggs, Cereal Partners, Heinz, United Biscuits, Tetrapak & Nestlé.

MJ Training Solutions

Topics Covered

Day 1: Core Training

The first day covers fundamental health and safety principles applicable across various industries, including:

- Organising for Safety
- The Workplace
- Tools, Plant, and Machinery
- Health
- Procedures
- The Environment

Day 2: Food & Drink Sector Specific Training

The second day focuses on issues unique to the food and drink manufacturing sector, divided into three key modules:

- Food Protection
- Environmental Protection
- Health & Safety In Food Manufacturing

MJ Training Solutions

SPA Passport

Upon successful completion of the Safety Pass Alliance (SPA) Food Manufacturing Course, candidates gain much more than just the SPA Food & Drink Safety Passport. They acquire essential knowledge and practical understanding of critical topics, including food hygiene, environmental responsibilities, and health and safety practices specific to the food and drink sector.
