

# EUSR SHEA Passport and National Water Hygiene Training

At Pragmatic Consulting, we offer a full suite of **EUSR-approved SHEA (Safety, Health & Environmental Awareness)** training courses, as well as **National Water Hygiene (NWH) (Blue Card)** designed to prepare workers for safe, compliant entry to utility-controlled sites.

Our SHEA courses and NWH courses provide essential awareness in safety, health, and environmental protocols, tailored to the specific requirements of different utilities.
