## APPRENTICESHIPS

We are one of the only providers in the country that offer the Piling Attendant Apprenticeship (Level 2), partnering with The Sheffield College. The two year apprenticeship programme combines on-the-job training with study for a nationally recognised qualification. Helping employers recruit, develop, and retain a highly skilled and knowledgeable workforce for their business needs. The programme provides all relevant certifications and cards including CITB and CPCS.

## ADDITIONAL SERVICES

In addition to various training courses and qualifications we offer, we also provide expertise in a variety of other areas including:

- Managing training matrix to ensure compliance and timely renewals
- Tailored training programmes specific to your business
- Learning needs analysis, skills audits, design, delivery, and evaluation
- Coaching and mentoring schemes
- Training linked to CIPD and/or ILM units and accredited if desired
