

WE ARE NOW OFFERING STREET WORKS COURSES!

New Roads and Street Works Operatives and Supervisors Course

This course is aimed at all operatives and supervisors that plan to carry out or monitor excavations and other work on the public highway. The course itself is compact with theory and practical training in readiness for unit assessments towards the end of the course.

Duration: 5 Days

Cost: £630 +VAT pp

Successful candidates will receive an accredited certificate and a Street Works Qualification Register ID card.

New Roads and Street Works Operatives and Supervisors Refresher Course

This is a refresher course aimed at all operatives and supervisors that have previously gained their street works accreditation and plan to carry out or monitor excavations and other work on the public highway. Candidates will take unit assessments towards the end of the course.

Duration: 3 Days

Cost: £395 +VAT pp

Successful candidates will have their current certificates and ID cards renewed.

Additional Units are charged at a cost of £170 +VAT pp
