

Safety Horizon (South West) is one of the leading providers of Health and Safety training and consultancy services, supporting businesses throughout the South-West of England and South Wales.

Why choose us

- **Professional** in everything we do. Sensible and practical advice.
- **Flexible** in how we support you.
- **Solutions** is what we offer, not problems.
- Our clients **trust** us.
- **Mentors** to the next generation of health and safety professionals.

What we offer

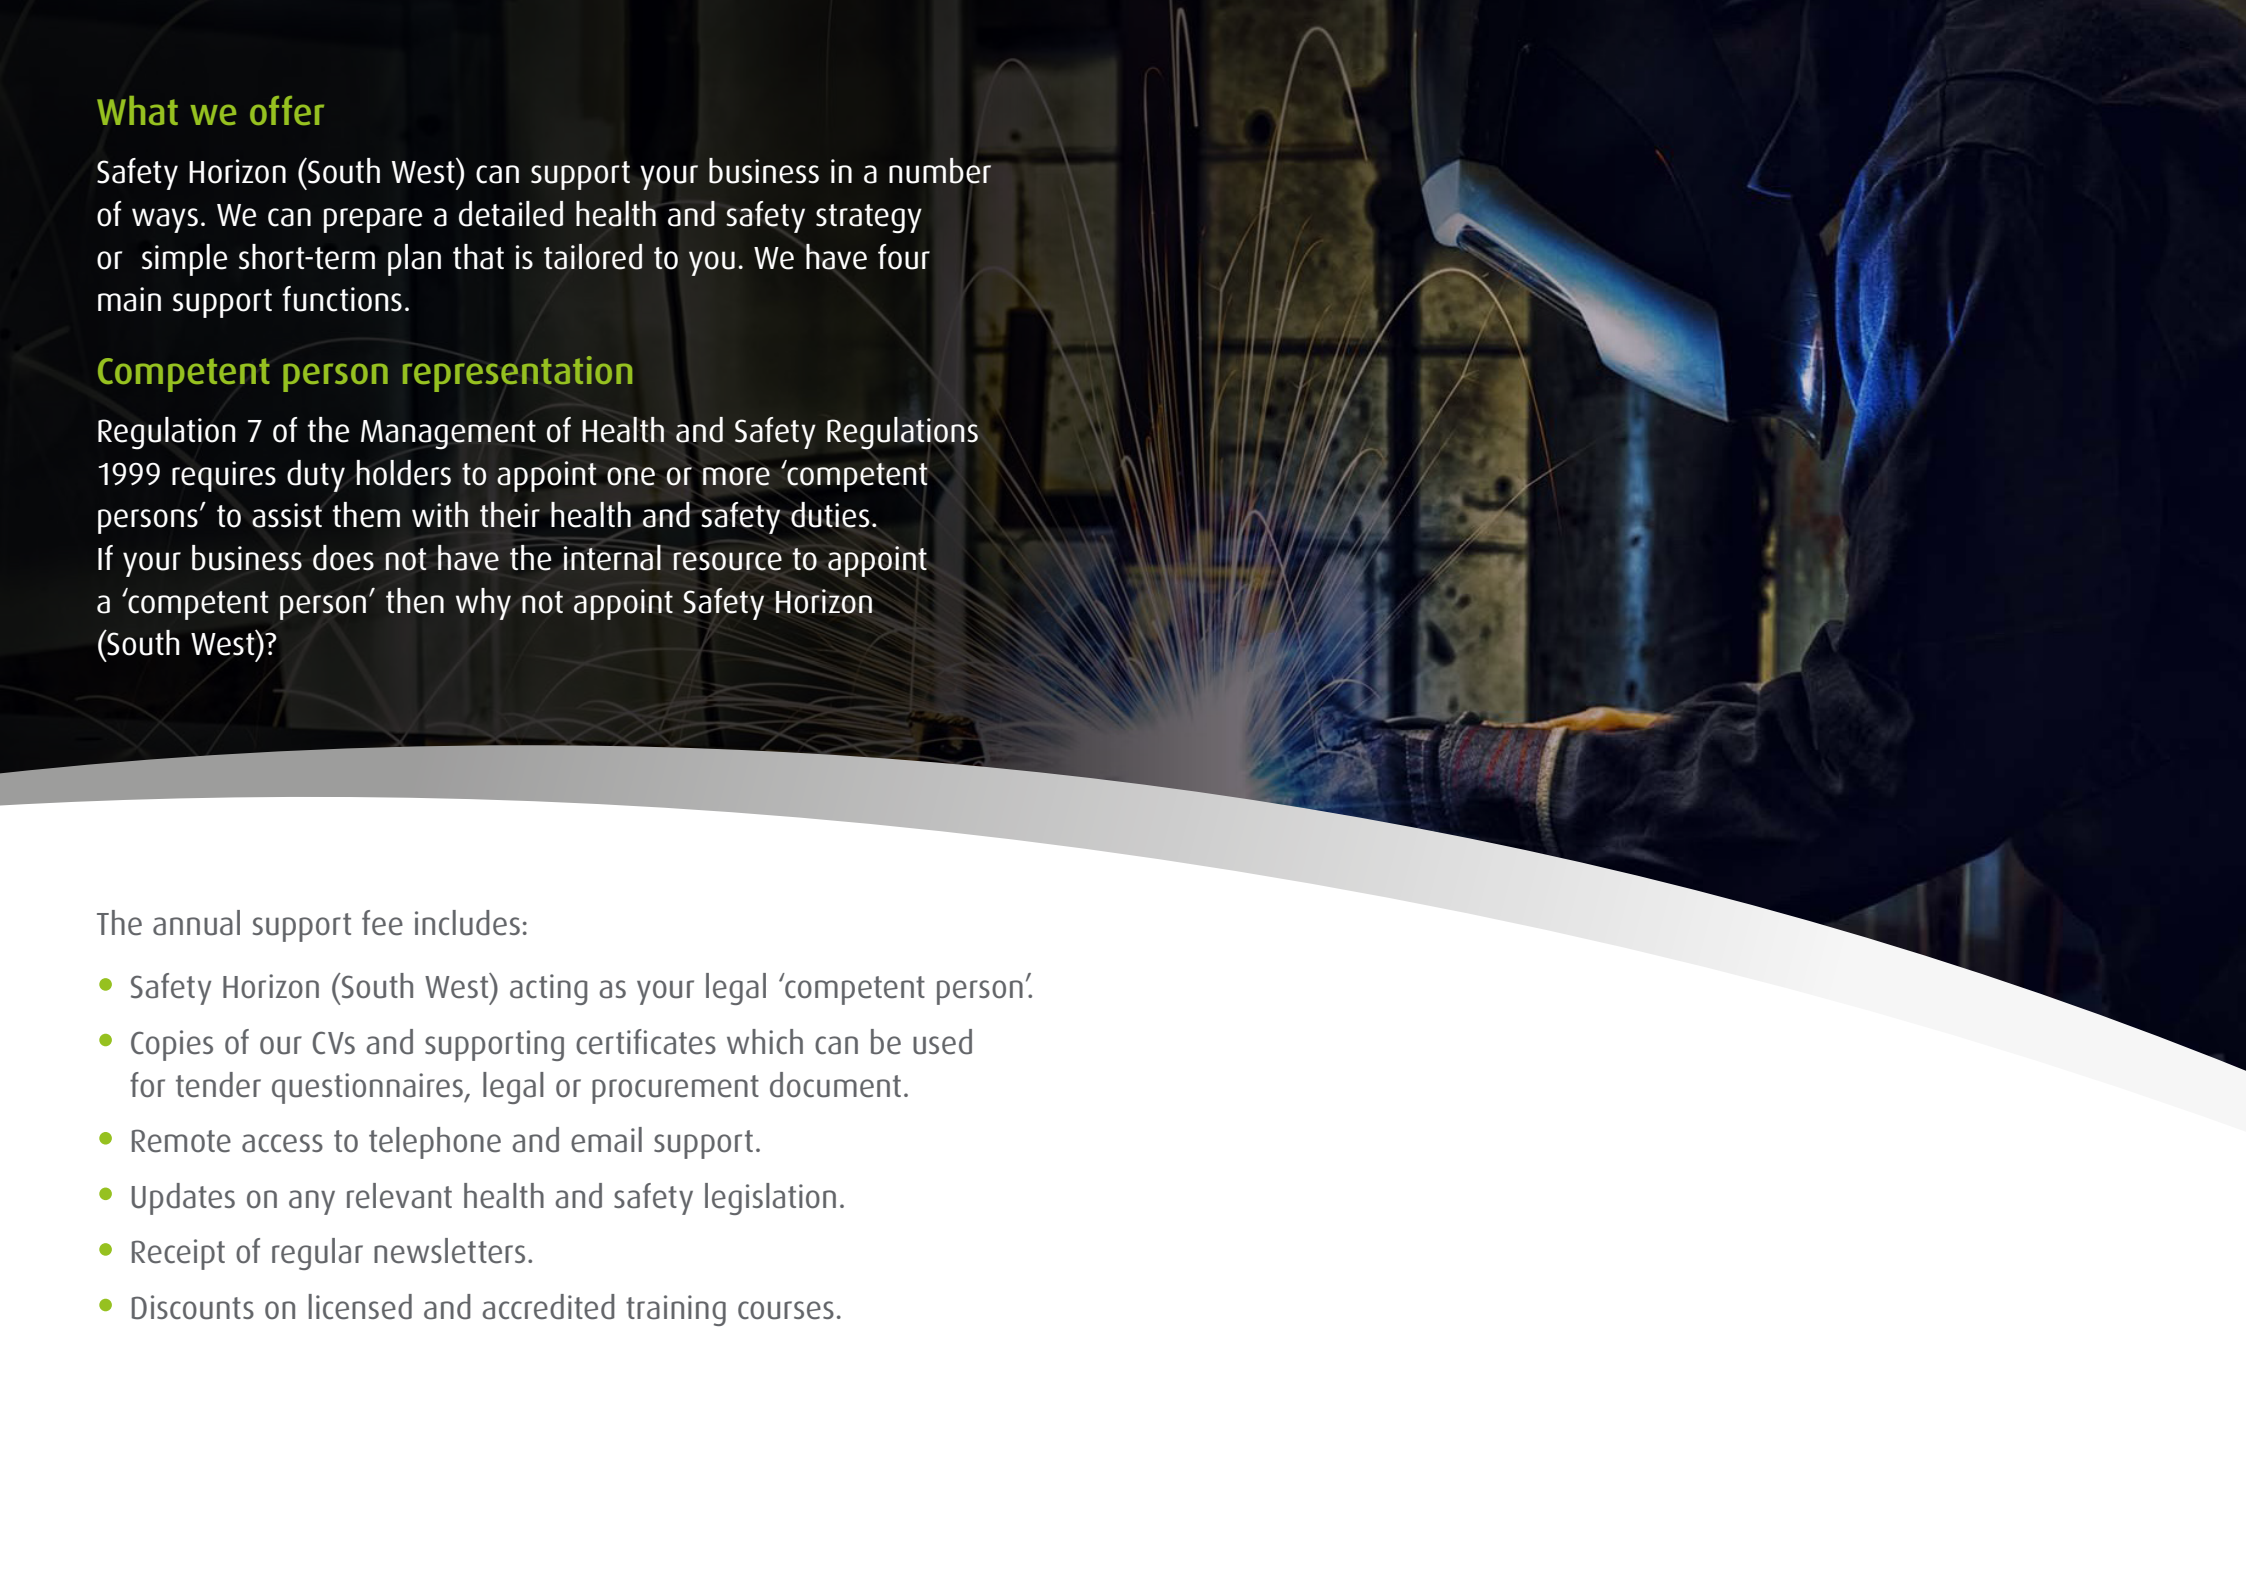

Safety Horizon (South West) can support your business in a number of ways. We can prepare a detailed health and safety strategy or simple short-term plan that is tailored to you. We have four main support functions.

Competent person representation

Regulation 7 of the Management of Health and Safety Regulations 1999 requires duty holders to appoint one or more 'competent persons' to assist them with their health and safety duties. If your business does not have the internal resource to appoint a 'competent person' then why not appoint Safety Horizon (South West)?

The annual support fee includes:

- Safety Horizon (South West) acting as your legal 'competent person'.
- Copies of our CVs and supporting certificates which can be used for tender questionnaires, legal or procurement document.
- Remote access to telephone and email support.
- Updates on any relevant health and safety legislation.
- Receipt of regular newsletters.
- Discounts on licensed and accredited training courses.

A photograph of two men in an office environment. On the left, a Black man with a shaved head, wearing a blue and white checkered shirt, is pointing his right index finger towards a laptop screen. On the right, a younger man with dark hair, wearing a teal polo shirt under a dark jacket, is looking at the laptop. The background is a bright, out-of-focus office space with large windows. A thick, grey, curved graphic element separates the top text from the bottom text.

Consultancy support

Safety Horizon (South West) supports many businesses in achieving and maintaining compliance.

We are able to provide tailored solutions that suit your business.

We offer:

- Strategic health and safety planning.
- Detailed auditing to measure your performance or site inspections.
- Completion of all types of risk assessments.
- Preparation of health and safety management systems including policy development.
- Coaching and mentoring of individuals or teams Independent and objective incident investigation.

Training solutions

Safety Horizon (South West) are able to offer a variety of training solutions to meet the needs of your business. This can be through the delivery of:

- Licensed and accredited courses
- Non-accredited courses
- On the job development training
- Tool box talks

We deliver our open classroom style courses at our training facility at Leigh Court Business Centre and are able to offer these courses internally to ensure the content is made more specific to your needs.

We can also deliver training via video conferencing.

Procurement services

If your organization requires support with obtaining one of the Safety Schemes in Procurement (SSIP) accreditations, we can help. We currently offer our clients support achieving:

- CHAS
- Safe Contractor
- Construction Line
- Avetta
- SMAS
- Achilles

Safety Horizon (South West) can take over all the hassle of preparing documents, uploading the information and liaising with auditors through to completion.
